Policy Statement

1.1 Pickle Power Kids is committed to providing the highest level of safety for all involved with Pickleball. This includes protecting customers' privacy, promoting positive behaviours and attitudes, protecting the health, safety and wellbeing of customers, particularly children and delivering the Pickle Power Kids's activities while acting in the best interests of children in the sport.

1.2 Specifically, Pickle Power Kids considers that the health, safety and well-being of children take priority over all other competing considerations. Pickle Power Kids considers that this is necessary to ensure the health, safety and welfare of all customers and protect the image and reputation of the sport, Pickle Power Kids and its customers.

1.3 Pickle Power Kids has a zero-tolerance approach to child abuse and is committed to promoting and protecting children from abuse and neglect to the greatest extent possible. All children have equal rights to protection from child abuse, regardless of their sex, religion, disability or sexual orientation etc.

1.4 Child protection is a shared responsibility between Pickle Power Kids, its employees, workers, contractors, associates, parents/guardians, coaches, spectators, volunteers and members of the Pickle Power Kids community. Everyone that participates in Pickle Power Kids's activities is responsible for the care and protection of children, and reporting information about child abuse.

1.5 Pickle Power Kids supports the active participation of all children. It listens to their views, respects their views and involves them when making decisions, where appropriate, especially about matters that will directly affect them (including their safety). Some of the ways in which pickleball empowers children are:

- Making them aware of their rights using child friendly documentation.
- Support their participation in decisions that impact them.
- Making them aware that their safety is our highest priority.
- Treating them with respect.
- Allowing them to express their individuality and identity.
- Allowing them to participate in a culturally safe way.

1.6 Pickle Power Kids is also committed to the cultural safety of Aboriginal children, and those from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children living with a disability.

1.7 Pickle Power Kids promotes fairness and consideration for all staff, volunteers and participants. For further details please refer to the Pickle Power Kids Code of Conduct and Professional Standards.

Photographs/Video Footage of Children and Young People (CYP)

As an overarching rule, "No photography, video or recording of any CYP" shall take place where that CYP may be engaged in any activities associated with or being facilitated by Pickle Power Kids. The following exceptions to this general rule can occur within Pickle Power Kids in accordance with the further statements in this section.

These exceptions include:

- c) Situations where a third party requests to take, use or disclose images of CYP as part of an event, tournament or competition organised by other than Pickle Power Kids;
- d) To support CYP behaviour management;

e) To fulfil legal obligations.

This section applies to the general collection, use and disclosure of photographs, video and recordings (images) of CYP, including where those CYP may be playing or participating with adults. It does not cover the use and disclosure of photographs, video and recordings of adults alone. Pickle Power Kids will use CYP images reasonably, appropriately and sensitively, consistent with our obligations under the VicSport Child Safe Standards and other sections of this Code. If at any time a parent/carer or student has a concern about the use of any images they should contact the Pickle Power Kids Responsible Person at Pickle Power Kids (Jo Nguyen, childsafepicklepowerkids.com.au).

This Code outlines the practices that Pickle Power Kids has in place for the collection, use and disclosure of images of CYP to ensure compliance with the *Privacy and Data Protection Act 2014 (Vic)*. It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

Consent

Photographs or video footage of CYP involved in Pickle Power Kids activities may only be taken if:

- a)** Prior approval has been granted by the CYP's parent(s)/guardian(s)
- b)** The context of the photo/footage is directly related to Pickle Power Kids activities
- c)** CYP are appropriately dressed and posed
- d)** The image/footage is taken in the presence of others involved at Pickle Power Kids.

Images must not be exhibited online or on social media sites without parent/guardian approval with CYP being de-identified at all times.

The Photographic Video Consent Form in the resource pack is to be provided by Pickle Power Kids at membership enrolment. This form applies to the standard use of images for the time a CYP is a member of Pickle Power Kids. The exception uses are defined on the Consent Form. For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. If at any time parents/carers wish to withdraw their consent, they can by contacting the Responsible Person (Jo Nguyen, childsafepicklepowerkids.com.au). If consent is withdrawn verbally, Jo Nguyen (childsafepicklepowerkids.com.au) will make a written record of this.

- **Child Abuse:** Is the mistreatment of a Child or Young Person that has Harmed, is Harming or is likely to Harm or endanger that Child or Young Person’s physical or emotional health, development or wellbeing and the Child has not, or is not likely to be protected by the parent(s) or guardian(s). For the avoidance of doubt, this includes but is not limited to Emotional or Psychological Abuse, Bullying, Grooming, Sexual Exploitation, Neglect and Harassment.
- **Child Protection:** Means any responsibility, measure or activity undertaken to safeguard children from Harm.
- **Grooming:** Is a term used to describe what happens when a perpetrator of Abuse builds a relationship with a Child with a view to abusing them at some stage. There is no set pattern in relation to the Grooming of Children. For some perpetrators, there will be a lengthy period of time before the Abuse begins. The Child may be given special attention and what starts as an apparently normal display of affection, such as cuddling, can develop into sexual touching or masturbation and then into more serious sexual behaviour.

Other perpetrators may draw a Child in and Abuse them relatively quickly. Some abusers do not groom Children but Abuse them without forming a relationship at all. Grooming can take place in any setting where a relationship is formed, such as leisure, music, sports and religious activities, or in internet chatrooms, in social media or by other technological channels.

- **Harm:** Means Harm to a person or a Child is any detrimental effect of a significant nature to the person or Child's physical, psychological or emotional wellbeing. It is immaterial how the harm is caused. Harm can be caused by:
 - Physical, Psychological or Emotional Abuse or Neglect;
 - Sexual Abuse or Exploitation;
 - A single act, omission or circumstance; and
 - A series or combination of acts, omissions or circumstances.
- **Sexual Offence (in Victoria):** Means a criminal offence involving sexual activity or actions of indecency or any act which exposes a child under the age of 16 years to, or involves a child under the age of 16 years in, sexual activity or matters beyond his or her understanding or contrary to accepted community standards. Sexually offence behaviours can include the fondling of genitals, masturbation, oral sex, vaginal or anal penetration by a penis, finger or any other object, fondling of breasts, voyeurism, exhibitionism, and exposing the child to or involving the child in pornography. Sexual offence includes Grooming.
- **Mandatory Reporter:** Means a person who is legally required to make a report to the Department of Health and Human Services or the Police if they form a belief on reasonable grounds that a child is in need of protection. It includes (but is not limited to) teachers, principals, registered psychologists, nurses, doctors and midwives.

Recognising and Reporting Child Abuse

A person may, in the course of participating in the sport or other activities of Pickle Power Kids or carrying out their work, form a belief on reasonable grounds that a child is in need of protection from child abuse.

Emergency Note: If a person is concerned about an immediate risk to a child's safety, the person must phone **Victoria Police on "000"** as soon as practicable.

Specific Types of Child Abuse

- **Physical abuse:** Occurs when a child has suffered, or is likely to suffer, significant Harm as a result of a physical injury, such as a non-accidental physical injury.
- **Sexual abuse:** Occurs when a child has suffered, or is likely to suffer, significant Harm because of sexual abuse, such as when a child is exploited, or used by another for his or her sexual gratification or sexual arousal, or for that of others.
- **Emotional and psychological abuse:** Occurs when a child has suffered, or is likely to suffer, emotional or psychological Harm of such a kind that the child's emotional or intellectual development is or is likely to be significantly damaged.

- **Neglect:** Occurs when a child's physical development or health has been or is likely to be significantly damaged. It refers to an omission, such as depriving a child of food, clothing, warmth, hygiene, intellectual stimulation, supervision and safety, attachment to and affection from adults, or medical care.

Mandatory Reports

Select classes of people in the community (including teachers, nurses and doctors – amongst others) are required by law to report to the Child Protection Unit of the Department of Health and Human Services (DHHS) where they have formed a belief, on reasonable grounds, that a child is in need of protection because they have suffered (or are likely to suffer) significant harm due to physical or sexual abuse.

This report must be made as soon as practical, and after each occasion where he or she becomes aware of a further reasonable ground for the belief.

Voluntary Reporters

In addition to the mandatory reporting obligations above, any person who believes on reasonable grounds that a child is in need of protection from any form of child abuse, may disclose that information to the Police, DHHS or the Commissioner for Children & Young People (CCYP).

Reporting Child Sexual Abuse

If a person receives information that leads them to form a reasonable belief that a sexual offence has been committed in Victoria against a child (under the age of 16 years) by another person (of or over the age of 18 years), the person has a legal obligation to disclose that information to the Police as soon as it is practical. Individuals who fail to comply with this obligation under the *Crimes Act 1958 (Vic)* may be subject to a penalty of imprisonment.

Approach to Reports of Abuse

Pickle Power Kids supports and encourages a person to make a report to the Police, CCYP or DHHS if they form a belief on reasonable grounds that a child is in need of protection, or they are concerned about the safety, health or wellbeing of a child.

Any person that makes a report in good faith in accordance with their reporting obligations (whether mandatory or voluntary) will be supported by Pickle Power Kids and will not be penalised by Pickle Power Kids for making the report.
